## AVVIA WINE FLIGHT EXPERIENCE

25

AVVIA is proud to offer something unique to the Gold Coast. Choose a wine flight to allow for easy sampling from our head chef Eddie Uzan's home town of Katzrin in Israel.

One place in Israel enjoys ideal conditions, as in Bordeaux or Tuscany, for producing internationally renowned wines. In the Golan Heights, in this breathtaking strip of land, everything begins with the right conditions – volcanic basaltic soil, suitable topography and cool high-altitude climate. This unique combination is what gives the Golan Heights its second name – “wine country.”
